

**SECTION 00315
LIST OF SUBCONTRACTORS**

**Contractor who is self-performing all the Work will not need to provide a List of Subcontractors.*

Contractor who will have subcontractors will provide list of subcontractors within **24 hours** from Bid date. *List subcontractors that will perform at least 10% of the contract amount.*

If awarded Contract, the undersigned, as General Contractor, agrees to employ the following subcontractors for listed work and further agrees that the percentage of subcontractors' participation will not be changed without Owner's written consent.

In the event any of these subcontractors are not approved, General Contractor agrees to propose other subcontractors for listed work, until Owner/Architect approves, and further agrees that approved subcontractors may not be changed without Owner's written consent.

Filling in names of the following principal subcontractors, with full name, address, and telephone number is mandatory if Bid is to be considered. **Failure to name such subcontractors or itself will render the Bidder's Bid non-responsive and, therefore, void.**

Named subcontractors must have reputation of competency in their fields of work. General Contractor assumes responsibility for quality of work performed by subcontractors.

If Contractor proposes to perform any of listed items with own staff, indicate on Quote Form and demonstrate competence in those fields of work.
