## What is a Friend?

Friends of the Des Moines Library are people who believe excellent library services are important to everyone and enhance the quality of life in their community.

As a nonprofit group, Friends work locally with library staff to promote the goals and objectives as well as the full range of services and resources offered by the King County Library System within the community.

## What do Friends do?

- *Hold used book sales and other fundraisers, generating income for important library projects.*
- *Fund programs for children, teens and adults.*
- *Promote the use of library services and materials.*
- *Serve as community advocates for the library.*
- *Voice the community's needs to the library board.*
- *Encourage gifts and donations to the library.*

## When do Friends meet?

Friends meetings are held in January, March, May, July, September and November.

Call the Des Moines Library for specific dates and times, 206.824.6066.

## Why are Friends important?

The Des Moines Library is a part of the King County Library System, a taxpayer-supported institution providing services to King County through 44 libraries. While area residents are fortunate to have access to the entire collection and resources of the System, there are many important programs and services that are not covered by the KCLS budget. These additional programs and services are funded by the Friends group through fundraising efforts.

## Who can join?

Anyone can be a Friend. Members are individuals of all ages, from all backgrounds who share a common commitment to libraries and the important role it plays in the lives of people in the Des Moines area.
