# NEWBERY MEDAL BOOKS

*The Newbery Medal was first awarded in 1922 by Frederick G. Melcher (1879-1963) as an incentive for better quality in children's books. Named after John Newbery, the famous 18<sup>th</sup> century publisher and seller of children's books, it is now donated annually by Daniel Melcher, son of the original donor, to the author of the most distinguished contribution to American literature for children published during the preceding year.*
