

Interpreter Corps Final Training
Creating Library Connections
Discussion Questions for Interpreter Feedback

TRAININGS

1. We offered 2 other training for interpreters (how to do a story time, and using the library catalog). How many attended each?

2. Now that you've had a chance to interpret at the story times and tours: What was the most valuable in each?
 - Story Time
 - Library Catalog
 - Survey and Final

3. What would make each training even better?
 - Story Time
 - Library Catalog

STORY TIME EVENTS

1. What comments have you heard from families who attended the two events?

2. What is your own feedback about the events?

GENERAL COMMUNITY OUTREACH/CONTINUATION

1. How can the library better welcome and serve your community?

2. What can the library do to make it easier for your language group to use the library?

3. How can Head Start/ ECEAP better welcome and serve your community?

4. As a result of this training/project, do you view yourself and your role as an interpreter differently?

5. Do you have suggestions for other avenues for spreading information about libraries/literacy resources within your language community?
