

WRITE IT IN STONE

Give a thoughtful present, using a favorite quote. Commemorate a birthday, anniversary, or graduation. Thank a teacher, parent or other loved one. Isn't there something or someone you would like to remember forever? Create a unique and wonderful message in the Richmond Beach Library Garden and support your library at the same time.

If you haven't explored the library grounds, do come enjoy the sculptures, benches and walkways funded by the Friends of the Richmond Beach Library and the King County Library System. Thanks to generous donations, the friends purchased two sculptures; a fountain, *Stoneman Family* by Barry Namm, and a garden figure, *Woman Sitting* by Sandra Zeiset Richardson.

We are engraving pavers on site, so we are collecting orders until we have several at one time. With your order you get a certificate suitable for presentation to your honoree. We will notify you when the engraving takes place. Questions or comments? Check with the staff at the Library, and they will pass on your inquiry to the Friends.
